

Teachers and Researchers of LISBP are implicated in various trainings and schools.

Initial Training

Biochemical Engineering

Head: Didier Combes

Phone: 33 (0) 5 61 55 94 01/10

email: didier.combes@insa-toulouse.fr

Environmental Process Engineers

Head: Corinne Cabassud

Phone: 33 (0) 5 61 55 97 73/52

email corinne.cabassud@insa-toulouse.fr

Masters

Microbiology-Agrobiosciences (C. Maranges)

SPECIALITIES:

-Microbiology (Research) – C. [Maranges](#)

-Agrofood Chain (Research) – S. [Guillouet](#)

Mecanics, Energetics and Processes (A. Liné)

SPECIALITIES :

Environmental Process Engineering (Research) – E. [Paul](#)

Dynamics of Fluids, energetics and transfers (Research)) – S. Colin

Doctoral Schools

SEVAB:

Correspondent: Claude Maranges

Tél 33 (0) 5 61 55 99 91

email claudemaranges@insa-toulouse.fr

MEGeP

Correspondent: Alain Liné
